Dear Jack:

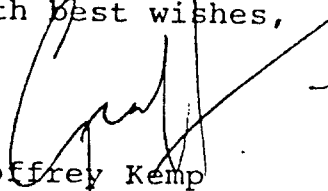

Howard and I appreciated very much the excellent briefing you and your team gave us the other day on the Middle East [redacted]

STAT

[redacted] The quality of the presentation and the lucidity with which you answered questions was exceptional and gave both of us a much clearer practical grasp of the great job you do over at COMEREX. The briefing was long overdue which was my fault, but I'm glad we did it. If time permits some time in the summer, I would like to come over and see your facilities at first-hand.

Again our thanks to you and your team and for the splendid work you have been doing these years.

With best wishes,
